Administrative Notes:

1. Conference registration opens at the Maritime Museum of BC 5:00 pm August 12.
2. Opening Reception starts 6:00pm August 12 at the Maritime Museum. Keynote address by Dr. Barry Gough will follow. Spouses welcome but a payment of \$ 10 at registration desk would be appreciated.
3. Conference sessions start at 8:30 am August 13, 14 and 15 at the Naval Reserve Base *HMCS Malahat* in downtown Victoria. Conference will close noon Saturday August 15.
4. Banquet/Awards Ceremony/Talk by Dr. Hadley Friday August 14 at 7:00 for 7:30 pm in the venerable Union Club across the road from the Empress Hotel. The Club's dress code calls for ties and jackets. This will be a memorable occasion.
5. Conference will visit the hydrographic section at the Ocean Sciences Institute in Patricia Bay on Saanich Peninsula Thursday afternoon August 13 and then do a 3½ hour scenic round voyage in the 18,000 grt ferry *Spirit of Vancouver Island* to the lower mainland and return. While on board there will be an opportunity to learn from the ship's senior master & CNRS member Captain Keith McLaren of BC Ferries about contemporary navigation practices. Two conference papers will be presented in the ship's private conference room.
6. Attendees are requested to locate own accommodation. The Harbour Towers Hotel at 345 Quebec Street is close to *Malahat* and has guaranteed standard rooms at \$ 154 plus tax per night but reservations must be made at least 30 days prior to August 12.
7. Optional overnight excursion to Bamfield will leave Victoria 2:00 pm Saturday August 15, overnight in Port Alberni and return to Victoria Sunday evening August 16. Voyage from Port Alberni to Bamfield and return will be in *MV Frances Barkley*, a salty 51 year old former Norwegian coastal freighter. *MV Lady Rose* has been withdrawn from service due to her venerable age & the prohibitive cost of bringing her up to current Transport Canada requirements.
8. Information correct to Feb 16/09; details may change.
